

# CAPABILITY STATEMENT

C-JEY Consulting, LLC doing business as Yates & Associates is an SBA certified service-disabled, veteran-owned, women-owned small business delivering customized solutions small to mid-sized businesses, nonprofits, government contractors, and public sector agencies. We offer management consulting and Fractional Executive services to organizations navigating growth, transformation, or performance challenges.

As a service-disabled veteran-owned, minority-owned small business, we take pride in offering tailored, hands-on support at every level—delivering ideal solutions grounded in deep operational insight and a commitment to organizational excellence. By blending decades of experience across project management, human resources, information technology, marketing, administrative support, and training / education / development, we serve as the critical bridge between strategy and execution, empowering organizations to scale, professionalize, and meet strategic goals and key objectives—without the long-term cost of a full-time hire.

## Core Capabilities

Workforce & Financial Readiness

Strategic Operations Management

Program/Project Management

Team & Talent Optimization

Interim or Transitional Leadership

Teaching & Training

## Ideal Clients

-Faith-based, therapists/counselors, and nonprofit organizations partnering to empower underserved populations through workforce and financial literacy programs that foster independence; managing growing programs and administrative demands
